Sharing Tree / Sunshine Fund

The Mt. Healthy tradition of giving back to families in need during the holidays continues. This collaboration between the City of Mt. Healthy and the Mt. Healthy City Schools has included the Mt. Healthy Alliance in recent years. A child or family is adopted, donations of food/clothing/toys are made, and monetary donations are converted to needy items. To be a part of this holiday tradition, contact Richard Wendt at 931-8840.

Holiday meals for families in need.

Room Rental

Need a place for your next party or meeting? The Mt. Healthy Community Room may be the perfect location for your next meeting, birthday party, baby shower, or reception. Offering:

- Reasonable rates (\$100 for 3 hours, no charge for civic groups).

- Seating for up to 80 guests.
- Plenty of free parking.
- Access to the pool (during the summer pool season).

The rental agreement is posted on our website www.mthealthy.org or for more information call 931-8840.

Plant a Tree this Fall

People usually think of spring as the season to plant trees, but autumn is the perfect time to get new trees in the ground. Once a tree is dormant, it can be transplanted and then can spend the winter getting roots established without the stress of a hot, dry season ahead (yes, roots do grow in the winter.)

Contact the Tree Commission if you'd like some guidance on best planting methods, or in selecting an appropriate type of tree. Remember that the larger the tree at maturity, the more value it provides.

The Mt. Healthy Urban Tree Commission is an all-volunteer group. Want to join us? Contact healthy.trees@yahoo.com or Karen Arnett at 513-377-1976.
